If you encounter any issues setting up your new camera, please do not hesitate to call us and we will be
very happy to help you. Our customer service phone number is +1 858 999 2114 ext 1.

First time set up:

(A) **PhotoFast**

1-Download the application called "PhotoFast" (A) on your smart device
(APP available on the App Store for iOS and Google play for Android).
2-After the app is installed, when launched for the first time, please grant
app access permission for bluetooth Contacts, Calendar, photos and Notification. So the app can backup your data
correctly.
3- Close the App
3- Follow below steps (insert SD card, plug the PHOTO CUBE into Wall Charger, plug cable to PHOTO CUBE and Your
device and plug the Wall Charger into an wall outlet to charge.

STEP 1:   **STEP 2:**   **STEP 3:**

4- The App will automatically open and start backing up all your pictures, contacts etc... for the first time this process
might take a few minutes depending on how many pictures you have, but thereafter, the automatic back up process
while charging with PHOTO CUBE will be very fast as it will only back up the new pictures.

External Storage Status
Display the memory usage of the microSD, you can tap on the product image (iOS only
feature) to enter the file manager to manage files stored in the microSD.

Backup now
"One-touch-backup" that will backup contacts, calendar and camera roll data of the device to
the external storage.
